COPENHAGEN - DENMARK

Dear Jimmy,

We have to leave Copenhagen and go to Paris today. We weren't here very long as Betty and Alf insisted on our staying at their place until Saturday. Then they came with us to Copenhagen and stayed over Saturday night. They took us all over Sweden so it was really wonderful.

Copenhagen, Denmark is really the greatest city and I hope you can get here sometime.

I will write again from Paris and we will be home Friday.

Love,
Mom.
